

# AEROSOL INDUSTRIAL STRENGTH CLEANER & DEGREASER

## Description:

Powerful, heavy-duty cleaner and odor control. Strong enough for industrial soils, and mild enough for general purpose cleaning. Easy to use, just spray and wipe. Self-generating, clinging foam provides penetrating and lifting action to remove even the toughest soils. Extended contact time allows for the removal of grease, oil, mildew stains, soap scum, bugs, sap, hand prints, crayon, scuffs, soot and smoke film. Safe on all water-washable surfaces: painted, metal, fiberglass, plastic, carpet, upholstery, rubber, tile, vinyl, chrome, synthetic leather, porcelain, ceramic, enamel, and marble.

## Benefits:

- Non-abrasive
- Non-corrosive
- 360° spray-anyway valve
- Deodorizes and shines as it cleans
- So easy and strong, you'll want to "spray away" all day long

**REMOVES** Grease, Oil, Soot & Smoke Stains, Soap Scum, Bugs, Sap, Hand Prints, Crayon, Scuffs, Mildew Stains

**SAFE ON** Tile—Vinyl—Rubber & Plastic—Painted Surfaces—Metal—Carpet Upholstery—Chrome—Synthetic Leather—Ceramic—Enamel Marble—Fiberglass—Porcelain—Other Water-Safe Surfaces

## Directions:

SHAKE WELL BEFORE USING. Spray either on rag or directly onto surface and wipe clean. For those difficult to remove stains, allow foam to remain on surface for several minutes before wiping off. Rinse, if desired.

## Specifications:

Appearance (visual) .....	Foaming Liquid Spray
Odor.....	Light, Clean Scent
Density @ 25°C (ASTM-D-287) .....	8.18 lbs/gallon (0.98 g/mL)
Health/Flammability/Reactivity.....	2/2/0
Personal Protection .....	X - Ask Your Supervisor for Specialized Handling Directions
