

DEODORISED CLEANER

Description:

Attacks and destroys oxidation, hard water spots, dirt, soap scum, mildew stains, scale, mineral deposits, and rust stains. Use on toilets, urinals, sinks, glass, tile, grout, metal, ceramic, porcelain, plastic, brass, copper, chrome, and fiberglass surfaces.

Benefits:

- Ready-to-use
- Pleasant wintergreen fragrance
- Supplied in 1 litre and 25 litre drums
- Minimal manual effort if you allow blue thunder to work

Application:

Apply a liberal amount of BLUE THUNDER to any surface listed below. Agitate lightly with a cloth, sponge, or mop. Rinse and allow to air dry (or wipe dry with clean cloth).
