

BRAKE EZE™

Brake Parts Cleaner Aerosol

FAST-EVAPORATING SOLVENT CLEANER & DEGREASER

Description:

Low odor, fast-evaporating, brake cleaner and degreaser aerosol. Heptane enhanced with Acetone, Methanol, and Ethanol solvents to dissolve away brake fluid, grease, brake dust, gum, grime, and other soils from linings, shoes, drums, rotors, pads, calipers, springs, and other brake components. Can also be used to clean industrial equipment, engine parts, bearings, motors, molds, garbage areas, parts, dies, chassis, machinery, and concrete.

Benefits:

- Stops disc brake squeaks, lengthens pad life, and improves brake performance
- Safe on all metals, even aluminum, brass, copper, and alloys
- Can be used to remove filings when machining brake drums
- 360° Flushing Action Valve sprays upright and inverted
- Contains no chlorinated solvents or carcinogens
- Dries residue free and will not emulsify in water
- Not an ODS (Ozone Depleting Substance)
- Federal VOC compliant formula

For Use On:

Brake linings, cylinders, drums, springs, rotors, disc brake calipers, shoes, disc pads, and other related brake parts. Also suitable for use on tools, engine parts, motors, bearings, gears, generators, starters, relays, cv joints, and most other metal surfaces.

Used By:

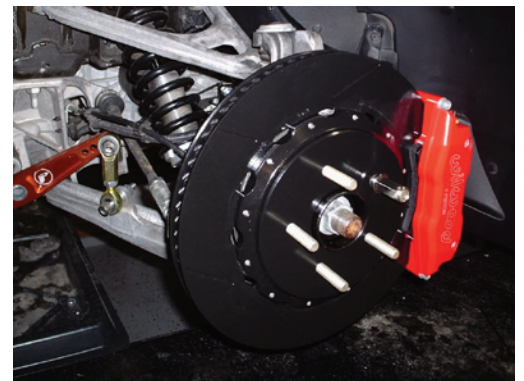

Truck fleet operators, school bus yards, car rental companies, forklift repair companies, delivery services, police and fire rescue squads, auto dealers, auto repair shops, and more.

Application:

Follow label instructions. Wet down surfaces to be cleaned using short bursts. Avoid breathing any dust or vapors that may become airborne. After all surfaces have been wetted, continue spraying to remove contaminants. Using a clean cloth, wipe or allow to air dry. For heavily encrusted areas, brush, then rinse off with a second application.

Specifications:

Density @ 25°C (ASTM-D-287).....	6.46 lbs/gal (0.775 g/mL)
Color	None
Appearance.....	Clear
Odor	Low Solvent Odor
Net Weight	15 oz.
Health/Flammability/Reactivity	1/3/0
Personal Protection.....	B - Safety Glasses and Gloves
